It may be noted that in some cases speakers for the 59th Class are requested for dates which closely follow the dates of presentations for the current 58th class. This early scheduling for the 59th Class is a one-time situation due to a change in the Attache Course Program of Instruction. It does not mean that speakers will be requested any more frequently than in the past.

All students are cleared for access to classified information up to and including TOP SECRET.

Permission is requested for direct liaison between the lecturers you name and the Department of Attache and Staff Training, code 11, extension 62366 or 61233.

Sincerely yours,

HAROLD E. GOULD
Lt Colonel, Infantry
